

ANNUAL MEETING OF ACO PORT HOPE, FEBRUARY 20, 2020

MEMBERSHIP REPORT

As of December 31, 2019, there were 486 individual members in our organization.

Members remain on the membership list for one year after their membership has lapsed, receiving ACO matters, the newsletter. After one year and after a number of reminders to renew their membership, they are removed from the list.

Recently, some active real estate agents in the area were contacted to inform them of the work that ACO Port Hope does in the community. It was also suggested to them that they might consider giving a year's membership to ACO Port Hope as a tax deductible gift to a new home owner.
